

DO YOU HAVE SYMPTOMS OF COVID-19?

Please use the following decision tree to comply with Milwaukee County's COVID-19 mitigation procedures.

SYMPTOMS OF COVID 19*:

1. Feverish or temperature of 100.4°F (38°C)** or higher
2. Chills
3. Headache that is new or different for you
4. Unexpected fatigue
5. Unexpected muscle or body aches
6. Soreness at site of injection (if recently received vaccination or booster)*
7. Diarrhea
8. Nausea or vomiting
9. New shortness of breath or difficulty breathing
10. New congestion or runny nose
11. New loss of taste or smell
12. New sore throat
13. New cough

* Note symptoms 1- 6 are common side effects of vaccination and boosters and are not considered symptoms of COVID-19 within 72 hours of a vaccination or booster.

** Note that the threshold for fever in healthcare workers is a temperature of 100.0°F.
